“Rev. 3:2 Be watchful, and strengthen the things which remain, that are ready to die:”

July / August 2012

Dear Supporting Church / Individuals and Prayer Partners,

(Acts 18:23) And after he had spent some time there, he departed, and went over all the country of Galatia and Phrygia in order, strengthening all the disciples.

There are times that we all need “strengthening” in the ministry that God has called us to serve as His disciples. In the past two months many of the churches that we have been sharing our ministry with have also needed this “strengthening” in their ministries as well. We are glad to be used of God to be a source of strengthening to these churches and pastors along the way on our deputation trail.

Three weeks ago preaching in a church outside of Springfield, Mo. on a Sunday night a twelve year old boy told his grandmother that he needed to be saved and came down that evening and was saved. We praise the Lord for those that are saved and are making discussions for the Lord in the services. Even pastors as well as church members are making some very positive changes in their lives and ministries.

We have been in many churches the past two months sharing our burden for hurting and struggling Independent Baptist churches across America. The need is great but we know that we serve a great God that can and will meet our needs according to His riches in glory by Christ Jesus. We are glad and thankful for three new supporting churches and friends in the past two months. There are many that have told us that they will be supporting us soon in the near future. We are at around twenty five percent at this time as we are just finishing up our first year on deputation along with helping two churches with an interim.

We also continue to send materials and books to churches and pastors to help them get through a time of struggle in their ministries, if you can help in this need (below) it would be much appreciated. There are new materials on the website if you would like to see if they would be of help to your ministry- (bottom).

Prayer requests:

1. That we would see many saved and discipled in the churches we help.
2. That God would use us to reach and help hurting pastors and churches.
3. That we would get our support quickly to help these churches and pastors.
