“Rev. 3:2 Be watchful, and strengthen the things which remain, that are ready to die:”

Dear Supporting Church / Individuals and Prayer Partners,

We are praising the Lord for His goodness and faithfulness to us in every blessing of life that He so lovingly gives us each day. We have been very busy as always these last two months putting over 8,500 miles in helping churches and on deputation in one mission's conference and many church services. In the past two months I have taught the Strategic Interim Pastor two times once in Florida and once in Georgia and both with good results.

Just getting back home Feb. 15th and sharing our work with a church in Ozark MO., this past Sunday with the great folks of Ozark Baptist Temple. There have been many names of pastors and churches that could use our help given to us, and we have done what we could to help them until we are fulltime.

Thank the Lord that we had another church to take us on in the first of January and there are many churches that have said that they would take us on soon. This brings our support level to around thirty percent right now and praying that it will increase very soon to be able to help more pastors and churches fulltime.

Here are some pictures of the Strategic Interim Pastor training at Florida Baptist College, a ministry of Westgate Baptist Church, in Tampa Florida on January 24th-25th. We had a great time with the students as they were very engaged with each class and the teaching. Hopefully these students will be better prepared for their future ministry in any position from youth director to pastor knowing how many churches are hurting and need their help.

Here are some pictures of the Strategic Interim Pastor training at Macedonia World Baptist Missions office in Braselton, GA. February 9th. There were nine pastors and missionaries that attended and they all said that the training was a great help for them to put into their ministries right now.

If there are men in your church, pastor in the area, Christian college or groups of missionaries would like to have this training class on the Strategic Interim Pastor, please let me know and we can set up a time for the training in your area. If you know of a church or pastor that could benefit from the Strategic Interim Pastor, please let them know about us and our ministry.

Prayer requests:

1. That we would see many saved and discipled in the churches we help.
2. That God would use us to reach and help hurting pastors and churches.
3. That we would get our support quickly to help these churches and pastors.

Needs:

We are in the process of writing more books and materials to send and give out to pastors and churches and need the funds for printing - 500.00 if you want to help with this please send it designated to the books and materials fund. Thanks for all your prayers and support.
