“Rev. 3:2 Be watchful, and strengthen the things which remain, that are ready to die:”

Dear Supporting Church / Individuals and Prayer Partners,

(Genesis 24:27) “And he said, Blessed *be* the LORD God of my master Abraham, who hath not left destitute my master of his mercy and his truth: *I being in the way, the LORD led me* to the house of my master's brethren.” It's great to be in the way that the Lord is leading and to see His hand upon our ministries. We are thankful also for the Lord teaching us in the way that He chooses even though it may not be the way we would have selected.

In the past two months the Lord has opened many opportunities for us to minister and help pastors and churches that were hurting. A church doesn't have to be small to have hurting members or a hurting pastor. In the last few months there have been many pastors that have said that we came by, just at the right time, for their ministry. This many times had to do with encouragement or counseling that was needed for that particular time for their ministries.

We are still sharing our ministry with churches and many see the need of a ministry like ours to help pastors and churches that are struggling here in America. The great thing about our deputation is that we get to not only share our burden, but to help many as we seek support. Please pray that our support will increase in the next few months so that we will be able to help many other pastors and churches.

In August Kim's dad passed away to glory and the Lord has given her with the rest of the family peace and hope to see him again. At the funeral Kim and my two sons sang a song of hope and joy of heaven. The family asked me to preach a gospel message and many of the family and friends got to hear the gospel. Thank God for a dad, father in-law that knew the Lord and had a testimony for the others to hear and see.

#### Prayer requests:

1. That we would see many saved and disciplined in the churches we help.
2. That God would use us to reach and help hurting pastors and churches.
3. That we would get our support quickly to help these churches and pastors.
