

# ***Strengthening Church Ministries***

January / February 2014

(Rev. 3:2) “Be watchful, and strengthen the things which remain, that are ready to die:”

Dear Supporting Church / Individuals and Prayer Partners,

Thank you for your faithful support this year in helping pastors and churches across America!

In the last two months we have had two more churches take us on for support, praise the Lord! We are still working on deputation and serving pastors and churches along the way. It’s a joy to see God working in the lives of His people, as they seek to do the will of God for their lives, and in seeing the change taking place in their church to become a healthier church for God’s glory.

As we begin this New Year, the Lord has been working on my heart to start helping more pastors and churches with their need of health. Over the Christmas holidays the Lord laid upon my heart about “Church Revitalization” and how we could help pastors and churches become revitalized.

We have already helped one church for six weeks in January and part of February with this plan for “Revitalization” and God blessed in a great way. We are now in Florida and will be starting the “Revitalization” plan with a church in Tampa in a few weeks. We are also talking to another church in Lakeland and may be helping them at the same time. Please pray that God would give me the wisdom needed for this new work and the tools for helping these pastors and churches to become (revitalized) and to be in the best of health for their church so they can be used of God.

Here is an excerpt from a letter of the church we helped in Camdenton, MO.

“Dr. Mickey Muse and his wife Kim spent six weeks with our church. Dr. Muse conducted several meetings with our church body and several meetings with the deacons and me. The Church Revitalization plan Dr. Muse uses is a real eye opener, and really helped our church leadership identify areas our church needs to improve. His spirit filled preaching was used by God to encourage, challenge, and motivate some in our church to get more involved in the ministry. I would recommend to pastors that they would prayerfully consider the Muses coming to their church.” (You can read the whole letter at our website below, under “Testimonies”)

Prayer requests:

1. That we would see many saved and discipled in the churches we help.
2. That God would use us to reach and help hurting pastors and churches.
3. That we would get our support quickly to help these churches and pastors.
4. A cost-effective car or van to travel in to reach and help pastors and churches.
