March / April 2014

(Rev. 3:2) “Be watchful, and strengthen the things which remain, that are ready to die:”

Dear Supporting Church / Individuals and Prayer Partners,  
Thank you for your faithful support in helping pastors and churches across America!

We thank God through Jesus Christ for His mercy and grace in the ministry of helping pastors and churches here in America. The Lord has provided for travel and a place to park our trailer as we are helping Victory Baptist Church in Lakeland Florida. We have been in two mission's conferences one in Jeff City MO. Bible Baptist Church and one in El Dorado AR. Bible Baptist Church; we had a great time in each of these meetings.

At this time we are going through the Church Revitalization plan at Victory, and the Lord is working in the hearts of the people. We have been going through a series on “The Seven Essentials of Revitalization” which any church should have in place if they are to be revitalized. Each Saturday we are having training classes for the members to help them in different areas of ministries, and on Sunday afternoons I meet with the pastor and men of the church, going through “the tree steps” of church revitalization.

As we are in Lakeland, there have been many opportunities to meet with new pastors in the area, and also to fill the pulpit for Grace Baptist Church in Dade City Fl. for a few Wednesdays and help Pastor Carpenter who has been sick. There is also a church in Plant City, Fl. that needs a lot of prayer and help, we are going to try to minister as much as we can while we are in the area to encourage the pastor and church family.

It has been a blessing to hear for Pastor Jerry Sously at Camdenton Bible Baptist Church which has told us that the church is doing great and has seen many saved in the past few weeks. This is the first church that we worked with in “The Church Revitalization” plan of action, the first of this year. We rejoice to hear what God is doing with this church and pastor, and look forward to see what the Lord has for them in the future.

If we can be of any help to you, your church or someone you know, please just give me a call or email. Thanks again for your prayers and support.

Prayer requests:

1. That we would see many saved and disciplined in the churches we help.
2. That God would use us to reach and help hurting pastors and churches.
3. That we would get our support quickly to help these churches and pastors.
4. A cost-effective car or van to travel in to reach and help pastors and churches.
