(Rev. 3:2) "Be watchful, and strengthen the things which remain, that are ready to die:"

Dear Supporting Church / Individuals and Prayer Partners,  
Thank you for your faithful support in helping Baptist pastors and churches across America!

The Lord has surely been teaching us more about faith and trusting only in Him and His word these last two months. It's one thing to preach about faith, but another to live by it day by day or by the week and month. Thank the Lord that He is always faithful to us all the time!

We have finished working with Victory Baptist in Lakeland Fl. and seen the Lord move in many hearts with a good start on a new emphasis on prayer and outreach. In the eight weeks that we worked with them we were able to give a series on the Seven Essentials for Church Revitalization. Also we had four training classes with the church members to better prepare them for ministries in and outside the church.

We are thankful to Highlands Baptist Church in Lakeland Fl. for allowing us to stay at their church for the last four months as we helped these churches in the area. The church has been a blessing not only to us but to those that we have been helping also.

There were two other churches in the area that God gave us the opportunity to minister to the pastors in the area of counseling. Many pastors just need someone to listen and offer a helpful hand to strengthen them and their church.

Praise the Lord for two more churches that have taken us on for support, which brings us up to almost half of what is needed at this time. Other churches have said that they will be taking us on in the near future or their next mission's conference.

If we can be of any help to you, your church or someone you know, please just give me a call or email. Thanks again for your prayers and support.

Prayer requests:

1. That God would use us to reach and help hurting pastors and churches.
3. That we would get our support quickly to help these churches and pastors.
3. A fuel cost-effective car or van to travel in to reach and help pastors and churches.
