

Strengthening Church Ministries

September / October 2014

(Rev. 3:2) "Be watchful, and strengthen the things which remain, that are ready to die:"

Dear Supporting Church / Individuals and Prayer Partners,

Thank you for your faithful support in helping Baptist pastors and churches across America!

The last two months have been very busy traveling from Florida to Mo., to Ia. then back to Mo. I have preached two missions conferences and spoke at two others. In one missions conference on Sunday night a young boy came forward and received Jesus as savior, praise the Lord folks can get saved at anytime. I also have preached a family conference and a spiritual warfare conference in the last two months and shared our ministry with three new churches. We also have visited and ministered in some of our supporting churches in Fl and MO.

We are so blessed and thankful for God answering our prayer requests for tires on the truck from (Bethany Baptist in Ava, MO.) and an economical car from a (Calvary Baptist- member Waterloo, IA,) to do our traveling when we are parked. The Lord also supplied a new computer for Kim and clothes for both of us from both of these churches. Our home church (Tabernacle in Lebanon MO) helped us with new batteries for the truck, what a blessing.

We are at home in MO for a few weeks and then headed back to FL to help a church plant and mentor a seasoned pastor to work with churches in his area. We are also starting Revitalization Revivals this coming New Year with four meetings being scheduled. I started doing some texting about four months ago to help and encourage pastors and laymen in churches. The feedback has been positive and they say that the texts are a help to them and that they look forward to them on Sunday. If you know of a pastor or someone that would be interested in receiving these texts just let them know about our ministry and they can contact me to start getting them. We are also putting them on our ministry facebook page the following day so that others can receive the same information.

If we can be of any help, just give me a call or email. Thanks again for your prayers and support.
Prayer requests:

1. That God would use us to reach and help hurting pastors and churches.
2. For our support level to increase and for new meetings this coming year.
