

# ***Strengthening Church Ministries***

February - March 2015

(Rev. 3:2) “Be watchful, and strengthen the things which remain, that are ready to die.”

Dear Supporting Church / Individuals and Prayer Partners,  
Thank you for your faithful support in helping Biblical Baptist pastors and churches across America! Please note that this is a two page prayer and praise letter, we normally only have one.

Thank the Lord for His faithfulness and goodness to us in all things that He is doing through the ministry of Strengthening Church Ministries. The last two months have been filled with trials and victories, the devil attacking and God delivering, people turning away from the truth, others embracing the truth, in other words just doing ministry. Here are letters from two pastors from their churches to let them share what the Lord is doing.

(Feb, 2015)

“We had Dr. Mickey Muse come and preach our missions emphasis Sunday, to be followed with a faith promise challenge. My prayer and desire was to be able to take on two new missionaries. You cannot imagine the mix of surprise and joy I had, at how our people responded to the message. As a result of the Lord working through Bro. Muse and in the hearts of our people we were able to take on six new missionaries!!!

Since coming not only have we seen an increase in our missions giving, but also a substantial increase in our tithes and offerings. I would highly recommend any church looking to grow their missions program to consider bringing in Mickey and Kim Muse. I’ve already rescheduled them for next year’s mission’s conference!”

“We praise The Lord for Working through the Muses as they ministered to our church at Resurrection Baptist Church in Pensacola, Fl. While Brother Muse gave us some powerful messages to challenge us with 3 of the 8 essentials for revitalization Mrs. Muse was serving in our nursery so the ladies could hear the messages. I do believe their ministry exists “for a time like this.” Meaning that The Word of God was given so a church can be honest with God to ask are we dying as a church?

Also, an individual can ask am I really walking in the Spirit and living a Spirit filled life. Humility and Prayer were also part of the essentials. We planned for all three services on Sunday for Brother Muse to speak. However God’s plan was to do Monday night then Tuesday was added then Wednesday night closed out the meetings, we were grateful the Muses were open to add these days. We as a church will carry these messages on into the year.

For you see this ministry is unique. Usually the Evangelist leaves then in a couple of weeks we are back to “normal”, not even close. Brother Muse helped me with an overview to continue into The Word of God with much flexibility as our Lord leads. Humility will be preached on for 3months, than prayer for 3 months, than being filled with the Spirit the last three months. We will conclude the last quarter by combining all three essentials to finish out the end of the year. The messages will be as The Lords leads me in my studies.

This is a well thought-out ministry. It took us awhile to get where we were, but by God’s grace and in His time He will move us forward for our Lord. And therefore having a living hope in our Lord Jesus Christ. As a Pastor I highly recommend you at least pray about having these wonderful folks in to present their ministry. Thank you and may our Lord bless you as He did us.”

In His service, Pastor Joe Fox

We are scheduling Revitalization Revivals; if you know of a church that may be interested or have a need for revitalization please tell them to contact us. For the next few months we will be around home in Missouri in meetings and going out as needed in Iowa and neighboring states. Please pray as we seek to help and be a friend to Biblical pastors and churches here in America.

If we can be of any help, just give me a call or email. Thanks again for your prayers and support.

Prayer requests:

1. That God would use us to reach and strengthen pastors and churches seeing souls saved.
2. For our support level to increase and for new meetings this coming year.
