

Strengthening Church Ministries

June - July 2015

(Rev. 3:2) “Be watchful, and strengthen the things which remain, that are ready to die:”

Dear Supporting Church / Individuals and Prayer Partners,
Thank you for your faithful support in helping Biblical Baptist pastors and churches across America!

God is “good all the time” as many churches we go to say in their services and rightly so. Certainly God has been so good to us allowing us to serve Him in the ministry of SCM with the privilege of helping pastors and churches. It is a joy and encouragement to see pastors and churches turn around and make some positive changes in their ministries.

In the last two months we have been in churches in Iowa three times helping Pastor Axtell at Mark Baptist Church that had a total hip replacement. We got to share our ministry with them and they took us on for support two weeks later, Praise the Lord! In one of our supporting churches we taught three training sessions on Saturday and preached all day Sunday and had a great time with pastor Dice and the folks at Round Prairie Baptist Church. If any pastor would like for us to do some training, please contact me on my cell by text or calling to set up a date.

Then we filled in for pastor Beal at Joy Baptist Church and met a lady 50yrs old that had never been in a church and I was the first preacher she had ever heard in a service. She came on a Wednesday night and I was told that this past Sunday she received Jesus as her savior AMEN! By the way first impressions do count we need to make sure that they have a good one and want to come back, they just might get saved.

We are still helping Maranatha Baptist Church in Bolivar MO., which is about 50 miles from our home. The pastor and members have been very helpful and cooperative with anything that we are doing to move forward and seeing the ministry revived. We are excited about seeing the members starting to give out gospel tracks and inviting people to church. Looking forward to what God can and will do here at this church.

Prayer requests:

1. God would use us to reach and strengthen pastors and churches, seeing souls saved.
2. For our support level to increase and for new meetings this coming year.
3. For a travel trailer to meet our budget, we want to cut our expenses.
