(Rev. 3:2) “Be watchful, and strengthen the things which remain, that are ready to die:”

Dear Supporting Church / Individuals and Prayer Partners,  
Thank you for your support in helping Biblical Baptist pastors and churches across America!

Fall is here and summer is gone so quickly it seems that time is moving faster as we stay busy serving the Lord. It is great to see God working in the lives of those churches that are willing to submit to Him and follow His plan for growth and revitalization. Any church or people can be revived if they are willing to humble themselves, pray, turn from their sin and seek God's face (2Chron. 7:14). We have seen this in reality in some churches, but the sad fact is that many will not submit to God and humble themselves so that the Lord can turn them around (will you?).

As mentioned in our last letter we are still helping Maranatha Baptist Church in Bolivar MO., which is about 50 miles from our home. We took our trailer to stay at the church on the weekends so we could do visiting on Saturday afternoons. Within the last two months we have also started a prayer meeting with the church on Saturday night. At first it was just the pastor and I that came for a few weeks. Then a few more came and we have had as many as 10 folks at this prayer meeting so far. If you consider that this church only averaged 16 to 18, that's a good number of people coming out to pray. Don't think that this is every week, but we do have some people that are coming faithfully and God is answering our prayers!

In the last two weeks we have seen God answer our prayers for visitors to come and for someone to get saved. On the 3<sup>rd</sup> of October we had a tract blitz and had 35 people come out. The Camdenton Bible Baptist Church, with Pastor Jerry Sousley came over with some folks to help us pass out tracts, what a blessing and we also had a great time. Then Pastor Sousley and some of the church came back on Sunday evening to join us in our services with Bro. Jerry preaching a great message.

The result from that Saturday was two new visitors and one twenty one old man getting saved Sunday night. We had prayed for this and God answered our prayers! And He continues to answer our prayers through this week's visitation Kim and I met another lady that wanted to come to church. She came Sunday morning and evening and so did the others that came the week before. In the last two weeks we have seen an increase average from 16-18 when we started to 22-24 in attendance. To God be the glory for what He is doing here at Maranatha.

## Prayer requests:

1. God would use us to reach and strengthen pastors and churches and seeing souls saved.
2. For our support level to increase and for new meetings this coming year.
