

Strengthening Church Ministries

October - November 2015

(Rev. 3:2) "Be watchful, and strengthen the things which remain, that are ready to die:"

Dear Supporting Church / Individuals and Prayer Partners,

Thank you for your support in helping Biblical Baptist pastors and churches across America!

We praise the Lord for His goodness and faithfulness to us each day and throughout the year. It has been a very busy year as we are getting close to the end of 2015 with seeing the Lord doing great things in many churches and pastors lives. Thank God for the victories and may we learn from the defeats as we try to minister to struggling churches and pastors.

We have finished working with Maranatha Baptist Church in Bolivar, Mo. for now and headed south for some meetings in Ark. and Fl. Pastor Jim Robbins and the church are doing well and we have seen three saved in the time that we were there. Also the members started picking up at least four people that are not members and bringing them to most every service. The ladies started a visitation plan for each week and are excited about seeing people coming to know Christ as savior.

Please pray that the church will keep going forward with the things that were implemented in our time with them. We also started a Saturday evening prayer time in which we seen the Lord answer the request for souls to be saved and new people start coming to church. Thank the Lord for working with this church as they were willing to follow His leading and do the things that are pleasing to Him.

As we are traveling to Florida to help with a church without a pastor and will be in other meetings also our travel trailer is leaking from the roof and windows. I have worked on it several times but it really needs a lot of repair. It's too costly to put a new roof on and so we are trying to patch it as best as possible. Please pray that we will be able to get another trailer that has less problems and with at least one slideout as we live in our trailer many months at a time. We are trying to live without a payment so we can be free to help churches and pastors that are limited with their funds also. If the Lord directs you to help in raising money for a newer trailer it would be much appreciated both from us and the churches that we serve. You can send the money to our home church (at the bottom) and refer it to SCM "travel trailer". God bless and have a Merry Christmas and Happy New Year.

Prayer requests:

1. God would use us to reach and strengthen pastors and churches and seeing souls saved.
2. For our support level to increase and for new meetings this coming year.
3. Newer travel trailer for our ministry for helping churches and pastors.
