

Strengthening Church Ministries

December - January 2016

(Rev. 3:2) "Be watchful, and strengthen the things which remain, that are ready to die:"

Dear Supporting Church / Individuals and Prayer Partners,
Thank you for your support in helping Biblical Baptist pastors and churches across America!

Praise the Lord for a great year in 2015 and now starting on an exciting new year serving the Lord helping churches and pastors across America. We are so thankful for what the Lord is doing in SCM in using us to help others with many different needs. Each church and pastor has similar needs as well as very specific needs also that need attention. We are constantly learning how to be of better service to these pastors and churches with trying to help them move forward in their ministries. Sometimes this is quit the challenge but with the Lord's help and the Word of God through the Holy Spirit, He has helped us each time.

We have been in Florida since December and have helped with counseling and supplying for some pastors and churches. At present we have been helping Monterey Baptist in Orlando Florida for the last seven weeks as pulpit supply. They are without a pastor and needed help in the pastor search process. Please pray for us as we try to guide them into the right way of seeking and calling their next pastor. We have been having good services and fellowship in these past few weeks as we try to encourage them to continue to serve the Lord during this time. The church here has also taken us on for support and we are looking forward to serving with them in the ministry.

We will be going back to Missouri at the end of February to be in a mission's conference at our home church Tabernacle Baptist, Lebanon MO. Then we will be headed back to Fort Walton Beach Fl. to preach a mission's conference at Westwood Baptist Church, this is the church we last had as fulltime pastorate. We are looking forward to these meetings and to see what the Lord will do in these churches and for missions. Praise the Lord for His faithfulness and care each and every day.

Prayer requests:

1. God would use us to reach and strengthen pastors and churches and seeing souls saved.
2. For our support level to increase and for new meetings this coming year.
3. Newer travel trailer for our ministry for helping churches and pastors.
