April - May 2016

(Rev. 3:2) "Be watchful, and strengthen the things which remain, that are ready to die:"

Dear Supporting Church / Individuals and Prayer Partners,  
Thank you for your support in helping Biblical Baptist pastors and churches across America!

We are always thankful for the Lord's goodness and faithfulness to us as we seek to serve Him in the ministry of SCM. It's only by His grace that we can have the strength that's needed for each trial and test that comes to us- (2 Cor. 12:9) "And he said unto me, My grace is sufficient for thee: for my strength is made perfect in weakness. Most gladly therefore will I rather glory in my infirmities, that the power of Christ may rest upon me." Thank the Lord that He helps us to be "instant" (to stand upon) in and out of any season of life.

After the missions conference in March at Westwood Baptist in Fort Walton Beach FL we went back home to catch up on some things around the house. Then we got word that a dear brother and friend in the Lord was about to go home to heaven. He and Pastor Hill asked if we could come and take part in the funeral, in which I was honored to say yes. He passed into glory on April 29<sup>th</sup> which was my birthday and we made plans to go back to FWB for the funeral.

As we were on our way down to Florida we were in an accident in Mississippi which totaled our car. And thankfully we were able to get down to the funeral and then turn around and head back home. After we got home we both had to go to a doctor and get treatments and I also had to have a MRI which showed that I have three bulging disks in my neck. This is just to inform you that we are just going through a season of life that God has allowed to teach us some lessons. Sometimes the Lord has to slow us down so we can see Him and the important things in life that we may be missing. It is very hard for us to slow down, but we are trying to learn.

(Psalm 41:3) The LORD will strengthen him upon the bed of languishing: thou wilt make all his bed in his sickness. On top of this Kim and I have had the whooping cough which is lasting for over six weeks now and has drained us of our physical strength. We believe that we are on the mend at this point but haven't been able to do much lately. Praise the Lord this too shall come to pass and we are now in Iowa starting to help a church without a pastor. So in season or out the work must go on for helping pastors and churches across America. Praise the Lord!

## Praise and Prayer requests:

We have a newer travel trailer for our ministry praise the Lord.

1. God would use us to reach and strengthen pastors and churches and see souls saved.
