

Strengthening Church Ministries

August - September 2016

(Rev. 3:2) "Be watchful, and strengthen the things which remain, that are ready to die:"

Dear Supporting Church / Individuals and Prayer Partners,
Thank you for your support in helping Biblical Baptist pastors and churches across America!

It's great to know that our Lord is working "all" things for our good even if we don't see it at the time. **(Romans 8:28)** And we know that all things work together for good to them that love God, to them who are the called according to *his* purpose. Our loving Lord is always working good for those who love Him and serving in His calling.

In our ministry it would be wonderful if everything went the way we thought it should go for the Lord and His church. But the sad reality is that things don't always go according to plan and then sometimes they go the opposite way we want them to go. We all have our ups and downs in the ministry and wished things would always go well and positive in the things of the Lord and His church. The church we just worked with didn't go as we would have liked but we are still hopeful that we served the Lord at our best there for them and our Lord.

In the past two months we have had the privilege of preaching and ministering to other churches in Iowa as well as Missouri. We have been doing a lot of counseling with pastors and churches that are hurting and struggling in many ways. Some may just need a little encouragement while others need real change for their ministries to move forward. Many times a pastor just needs someone to talk with about how they feel or what they are going through in the ministry.

I have gotten a lot of good feedback concerning the articles that I write each week for pastors and churches. Please pray that they will be used of the Lord to help in bringing reality and encouragement to those who are reading them. Also pray that I will be balanced in the way that these articles are aimed to be both positive and negative and to give a clear and honest view of what churches and pastor's needs are today. I desire to be more positive than anything else!

As we are always traveling we would like to ask if you would pray with us about getting a newer truck to pull our camper with. We would like to get an f-350 which would be better suited for pulling our camper. Thank you for your help in this request.

Praise and Prayer requests:

We have a van now to help when we are parked to visit churches, praise the Lord.

1. God would use us to reach and strengthen pastors and churches and see souls saved.
2. For a newer truck to pull our camper preferable a f-350. (We are starting a truck fund)
