

Strengthening Church Ministries

October - November 2016

(Rev. 3:2) "Be watchful, and strengthen the things which remain, that are ready to die:"

Dear Supporting Church / Individuals and Prayer Partners,
Thank you for your support in helping Biblical Baptist pastors and churches across America!

We are thankful for the opportunity to help and minister pastors and churches in this time of transition in our country. There is a need for churches and pastors to renew their call and ministry with their churches. The one thing that can and will unite our country is for those who are unsaved to come and receive Christ Jesus as their personal savior. These are trying times with churches and pastors in which to reach out to a lost and dying world without Christ.

With all that is going on in our country our churches and pastors should be more loving and caring than ever before to those in and outside the church. More than ever we should stand together and fight the real enemies of the Lord and of people. Instead a lot of members and pastors are fighting each other in their own church or the church down the street. Satan loves to get us distracted on internal problems so that we don't see the needs of others.

We need to stand for what is right, but in a loving way that helps others to see that we are speaking the truth in love (Eph.4:15). Someone said, "Cold hearts and hot heads don't accomplish the right things for Christ". Maybe we need warm hearts and cool heads to communicate the love of Christ to a lost and dying world. The opportunity to minister today is great and by the power of the Holy Spirit we can see wonderful things done for the cause of Christ. May we be doing the right thing at the right time to help our churches as well our country.

In the last two months we have helped pastors and churches in Missouri and Iowa in pulpit supply and counseling. We are now helping another church in south Iowa as they are looking for a new pastor. They are just getting into the adjustment of transitioning from their pastor of eleven years and looking forward to the man that God has for them in the future.

We pray that each and every one of you has a very Merry Christmas and a Happy New Year!

Praise and Prayer requests:

1. God would use us to reach and strengthen pastors and churches and see souls saved.
2. We would like to ask you to pray with us about getting a newer truck to pull our camper with. We would like to get an f-350 which would be better suited for pulling our camper. Thank you for your help in this request. (We are starting a truck fund)
