

# Strengthening Church Ministries

June - July 2017

(Rev. 3:2) "Be watchful, and strengthen the things which remain, that are ready to die:"

Dear Supporting Church / Individuals and Prayer Partners,  
Thank you for your support in helping Biblical Baptist pastors and churches across America!

Our Lord is always working in our lives to minister through us as we yield ourselves unto His will and word. It's great to see the Lord's hand guiding us along the way and path of life in the ministry. The last two months have been very busy with a trip to Florida for our grandson's graduation and a trip to Utah to preach and counsel North Central Baptist in Roy Utah. As we finished up our last week in Iowa and headed back to Missouri we had a contact with the church in Roy Utah.

For a month we stayed in Lebanon MO. taking care of some maintenance and other things on our fifth wheel trailer and truck. We also had the opportunity to visit and preach at some churches in the area, one was Maranatha Baptist in Bolivar MO. where we served and helped two years ago. The church is doing great with their new pastor Roger Jewel and the attendance and parking lot was pretty much full. I was told that they are now expanding their parking lot and getting a modular building for more room. Praise God!!

As of the last week of July we are now in Utah helping the North Central Baptist Church in Roy, which is seeking a pastor. They are a young church of around six years old and are in a store front building and have the adequacies for the people and ministries right now. Their lease will be up in a little over a year and they are praying for a permanent building that they can afford. They have gone through some difficulties and struggles but the Lord is still working in the church and seeing people saved and joining the church.

Please pray for them as they seek the man that God has for them as their next pastor and for us to be a help them in the interim. There is a good spirit in the church and they are doing a great job with their search committee. This is a growing area and the opportunities for ministries and growth are open wide for the church to see it move forward. Many people are moving into the area as well with having the Hill Air force base here which brings many to visit and become members of the church.

## Praise and Prayer requests:

1. God would use us to reach and strengthen pastors and churches and to see souls saved.
2. We would like to ask you to pray about a love offering to help pay for the newer truck we got to pull our camper. Thank you!
