

Strengthening Church Ministries

August – September 2017

(Rev. 3:2) “Be watchful, and strengthen the things which remain, that are ready to die:”

Dear Supporting Church / Individuals and Prayer Partners,

Thank you for your support in helping Biblical Baptist pastors and churches across America!

What a blessing to be working together with God and His churches seeing what He can and is still doing as we obey Him. It is of the Lord’s grace and mercy that we get to be involved in His ministry of working with His churches. It’s through Him that we are able to see many things done that are good and productive in helping pastors and churches. So we give the Lord all the glory and praise for everything that is accomplished in our lives or the churches that He allows us to be a part of helping.

This letter is just a little late because of finishing up our work at North Central Baptist in Roy Utah. They have gone through some difficulties and struggles but the Lord is still working in the church and seeing people saved, baptized and joining the church. The Lord blessed our three months there with these dear folks as we seen Him do great things in the lives of the people.

Here are some things that we saw the Lord do at North Central;

1. Two precious souls saved- (two adult men).
2. Two new believes Baptized- (one 13yr girl and one 23yr man).
3. Thirteen folks joining the church.
4. Reconciliation with people coming back to church.
5. A church merger and joining North Central.
6. An increase of one third (1/3) in attendance from low sixties to low nineties.
7. Spiritual growth in many of the members.

Praise the Lord that He is still working in our churches if we only let Him have His way and follow His word. There has also been reconciliation of a church that was out of North Central and has now come back with their interim pastor. Only the Lord can do these things in the hearts of His people.

We are back in Missouri now for a few weeks and then we will be headed to SE, Georgia to see about helping a church. Please pray for them and us as we seek God’s will for both of us for our next step in ministry.

Praise and Prayer requests:

1. God would use us to reach and strengthen pastors and churches and to see souls saved.
2. We would like to ask you to pray about a love offering to help pay for the newer truck we got to pull our camper. Thank you!
