January – February 2018

(Rev. 3:2) “Be watchful, and strengthen the things which remain, that are ready to die.”

Dear Supporting Church / Individuals and Prayer Partners,  
Thank you for your support in helping Biblical Baptist pastors and churches across America!

We want to say thanks to all those who have been praying for us as we seek to do the Lords will next. In the last few months we have been in Mo., stopping in Ga. to help a church for a week. Then to Fl. with family for the Christmas and the New Year.

The last few months have very trying and hard for us and we want to let our churches and pastors know so that you can be praying for Kim and I. In January we had to make two trips to NC for my brother who had a heart attack and was in the hospital for a month. He passed into heaven and now is at home with the Lord.

We are having to take some time off because of near burn-out and some other issues that have impacted our lives. In all the business of helping churches we have neglected to take time off to feed ourselves. Now we ask that you will be patient with us and be in much prayer for us at this time in our lives. If you have any questions please don't hesitate to call us. We want to be back into service as soon as we can. God is so good to us and we really appreciate your prayers.

Praise and Prayer requests:

1. God would use us to reach and strengthen pastors and churches and to see souls saved.
2. We would like to ask you to pray about a love offering to help pay for the newer truck we got to pull our camper. Thank you!
