

Strengthening Church Ministries

March – April 2018

(Rev. 3:2) “Be watchful, and strengthen the things which remain, that are ready to die:”

Dear Supporting Church / Individuals and Prayer Partners,

Thank you for your support in helping Biblical Baptist pastors and churches across America!

We would like to thank the Lord for your prayers as we are in a season of life that has been difficult. For the last few months we have been back in Missouri at our home church doing what we can as we seek the Lord’s help in getting back on track and healing spiritually. There have been opportunities to preach at some of our supporting churches in MO. This has been a blessing and encouragement to us as we seek to continue to help others.

During this month (May) we have become “great-grandparents” our first great grand-daughter. Also we have two granddaughters graduating one in Florida and one in Missouri this means a lot of miles in one week. But what a joy to see our grandchildren make this big milestone in their lives and looking forward to their future. Both plan to attend a Christian college this fall and both are serving the Lord and want His will for their lives.

On the way back to MO. we will have the opportunity to visit and preach at one of our supporting churches in FL. There is a church near us in MO. that is without a pastor and we will be checking to see if there is anything that we can do for them. Please pray that the Lord’s will would be done for them and us as well.

We still are needing prayer for our recovery from a very trying time in our lives as we seek to be used of the Lord as soon as possible. Our Lord knows just what we need and when we are ready for our next place of service. We praise the Lord for His goodness and faithfulness to us as we seek Him to lead our path in ministry. Again if you have any questions please don’t hesitate to call us. God is so good to us and we really appreciate your prayers.

Praise and Prayer requests:

1. God would use us to reach and strengthen pastors and churches and to see souls saved.
2. We would like to ask you to pray about a love offering to help pay for the newer truck we got to pull our camper. Thank you!
