

Strengthening Church Ministries

August - September 2018

(Rev. 3:2) "Be watchful, and strengthen the things which remain, that are ready to die:"

Dear Supporting Church / Individuals and Prayer Partners,
Thank you for your support in helping Biblical Baptist pastors and churches across America!

(2 Peter 1:2-4) "Grace and peace be multiplied unto you through the knowledge of God, and of Jesus our Lord, According as his divine power hath given unto us all things that *pertain* unto life and godliness, through the knowledge of him that hath called us to glory and virtue: Whereby are given unto us exceeding great and precious promises: that by these ye might be partakers of the divine nature, having escaped the corruption that is in the world through lust."

Thank God that through His Son Jesus Christ we can have "grace and peace" multiplied to our lives. In the times that we are living in we certainly need more of God's grace and peace to know His will and to do His work. Through the "knowledge" of God and Jesus Christ we find all the grace and peace that helps us through this journey of life.

These last two months have been very good for healing for many of the parts that were broke in the fall I had in July. Just a reminder I had 18 broken bones of which many were ribs on both sides. Praise the Lord that many of the bones have healed and the others are on the mend as well. One of the biggest healing is that of my lower back and the six inch screw they put in to hold things together. I am now walking and driving again after two months of being in a wheel chair. Last month I had a nerve conduction test done on my left side and they said I have nerve damage in my brachel plexus that affects my left arm and hand. I've seen a specialist in St. Louis and they are going to see if it will heal some more before considering surgery.

Even though we have not been on the road we are still helping pastors and churches through counseling and encouragement. Our churches and pastors are in need of some one on one encouragement to help them through some things that they are facing. Sometimes along with Kim just to be able to talk with both the pastor and his wife is very helpful. As we have opportunity we want to give ideas and a listening ear to a pastor and his wife. We also still have information and training materials that can be taught in these churches.

Thank the Lord that we are able to be still used and we look forward to the future serving Him. If you have any questions or in need of any help please don't hesitate to give us a call.

Praise and Prayer requests:

1. God would use us to reach and strengthen pastors and churches and to see souls saved.
2. We would like to ask you to pray for a complete and strong recovery. To use this to help others.
