“Rev. 3:2 Be watchful, and strengthen the things which remain, that are ready to die:”

November/December 2011

Dear Supporting Church and Prayer Partners,

(Ps 106:1) “Praise ye the LORD. O give thanks unto the LORD; for he is good: for his mercy endureth for ever.” The Lord is certainly good unto all people and we know that He has been so good to us. As we look at the past two months we have seen the goodness of the Lord upon us in SCM, helping us as well as providing, leading, teaching us to trust Him more.

This is also Christmas time and we are grateful to be able to spend it with our children and grandchildren in Missouri. The Lord has come that we might know Him in the person of Jesus, His name is truly Wonderful. We hope that everyone has a great time with family and friends, now and in the New Year.

We have finished our work at Central Baptist Church in Fort Walton Beach, Fl. and are now on full time deputation in Missouri through the winter. There has been one family and one more supporting church in the last two months to share in our ministry of helping hurting and struggling churches in America. Please pray that other churches are able to take us on soon, everywhere we go we hear about more churches and pastors that could use our help. Most pastors are very interested and think this is a great need for our Independent Baptist Churches today. But many are not able to help with support because of the struggles they themselves are going through in their own church. This is another reason that this ministry is so needed, and we have to keep on going to raise our support as quickly as possible.

Our first (Strategic Interim Pastor Training) on December the 3<sup>rd</sup>, was full of good input as well as encouragement. We had a great time of fellowship with those who came and have gained some good ideas for the future. We are looking forward to our next training class, in which we will be giving information about soon.

Prayer requests:

1. That we would see many saved and discipled in the churches we help.
2. That God would use us to reach and help hurting pastors and churches.
3. That we would get our support quickly to help these churches.

Needs: Money for four new tires on the truck – 700.00 also 500.00 for books and materials to send and give out to pastors and churches / 4,500 – to pay off travel trailer.
