“Rev. 3:2 Be watchful, and strengthen the things which remain, that are ready to die:”

May/June 2011

Dear supporting church and prayer partners,

The Lord has been working in our personal lives as well as our church and we have been busy the last two months in getting ready for deputation. We started boxing up everything in our house to be stored while we are on deputation. We also had a full size moving truck given to us by one of our church members to store our household things it's kind of like a storage unit on wheels. We loaded up the truck and took everything to Missouri to be stored at our son Matthew's land on June 17th.

As we were in Missouri we had the opportunity to present our ministry in three churches, as well as helping one of the churches in visitation in which one lady came to church the next day. The pastor said that we were a “shot in the arm” for him and his church, and we are glad that God used us to help a discouraged brother. We also introduced (power point) to the church and how it could be a tool for teaching and training in certain areas of the church.

In May our church (Westwood Baptist) started looking at Bro. Gregg Hill as a candidate for our next pastor. We are glad to say that God did call him and his family to our church on June 26th to be our next pastor, and he will be on the field on July 17th. We are excited for our church and for him and his family as they start a new chapter in fulfilling the will of God here at Westwood Baptist Church.

As we are finishing up our Interim time here at Westwood, God has opened up the door to help another sister Independent Baptist church right here in town. The pastor just resigned to go into a new ministry and the church seeks our help until they find the right man of God who is ready to be their next pastor. Please pray that we can be a blessing and help during this time for them. Thank the Lord His timing is right on time for His church and His servants.

Prayer requests;

1. That we would see many saved and disciplined in the churches that we help.
2. That God would use us to reach and help hurting pastors and churches.
3. That we would get our support quickly to help these churches.
4. That God would open a way for us to travel and stay at these churches, we are needing a travel trailer or motor home that will take care of living quarters.

His servant, to His saints
Bro. Mickey Muse
